DESCRIPTION OF PROPOSAL AND REASONS FOR APPLICATION

ASSESSMENT CRITERIA - Regulation 84 - Overlooking

The Minister for Planning (Minister's Guideline MG/12, June 2005) has set out the objective and decision guidelines that Council must have regard to when considering varying a design and siting standard.

If any matter set out in the guideline is not met, then Council must refuse consent.

To assist Council in determining if the objective and decision guidelines have been met, please describe how your application meets the following appropriate assessment criteria.

Objective: To limit views into existing secluded private open space and existing habitable room windows.

Decision guidelines

a. the proposed building will not significantly impact on the amenity of the recreational private open space(s) on nearby allotments; or *(comment below)*

b. the building will not significantly increase the level of existing overlooking of habitable room windows of existing dwellings on nearby allotments and or any associated secluded private open space. *(comment below)*
