New accessible playground

New inclusive and accessible play equipment is being installed at Mackellar Street Reserve, transforming the space into a welcoming environment for children of all abilities.

The new equipment includes an inclusive carousel, an accessible buggy rocker, a triple bay swing, activity station and musical chimes.

Construction has begun, with the installation of rubberised pathways to improve access.

This project is funded by the Australian Government Local Roads and Community Infrastructure Program.

While the works are underway, a section of the Mackellar Street Reserve and pathway will be temporarily closed.

We apologise for any inconvenience while works are carried out.

Get ready to make a splash

The Benalla Splash Park has reopened, just in time for the warmer weather.

The Splash Park is open every day from 9am to 8pm.
